| <p>10/16/2018</p> | <p>5.0 Quality: 5.0 Customer Service: 5.0 Value for Money: 5.0</p> | <p>Review by Mary R. in Henderson, NV Project: Install Wallpaper Comments: I needed wallpaper hung in my Powder Room (approx. 100 sq. ft.). I went to various sites and discovered that there are very few professional installers in the community. I found Seamingly Straight, Inc. Jimmy's name referred on a few sites. One reviewer stated that if you can wait on Jimmy's schedule, it would be well worth it. I agree! I got on his schedule about 2 weeks out so the wait time wasn't too long. It was a small project but I greatly appreciated his professional skills! Jimmy is very pleasant, courteous and professional. You won't go wrong with Jimmy. He is one of the last who were trained by the best in this specialty trade and his rate is fair. Add Your Comments to This Review</p> |
| <p>07/03/2018</p> | <p>5.0 Quality: 5.0 Customer Service: 5.0 Value for Money: 5.0</p> | <p>Review by Todd S. in Las Vegas, NV Project: Paint or Stain Interior Surfaces Comments: Jimmie is not only the finest painter in all of Las Vegas (the known universe maybe?), he's one of the nicest guys you'll ever have the privilege of meeting. He is one of the most professional tradesmen I've ever had the pleasure of working with; he keeps his work areas clean, and once done for the day he make his presence as unobtrusive as possible. The local paint store told us that if we could get Jimmie, to jump on the opportunity. I am told by others that his skill with wallpaper is unmatched and once Jimmie dies, many trade secrets will go with him on special application techniques. Did I mention he's truly a nice guy? You could leave piles of cash laying around your house and not have to worry for a second about Jimmie taking advantage of you. I will echo the sentiments of the local paint store - if you can get on his schedule, just do it! You will not regret it. Add Your Comments to This Review</p> |

| 05/25/2018 | 5.0 Quality: 5.0 Customer Service: 5.0 Value for Money: 5.0 | Review by Daryl T. in Las Vegas, NV Project: Install Wallpaper Comments: Jimmy Lembcke, with Seamingly Straight, Inc., removed the wall coverings in three of our bathrooms, repaired damaged sheetrock, repaired the separation between one wall and the ceiling, primed all walls, painted the ceilings, and hung wallpaper in the three bathrooms. Mr. Lembcke is a master artisan and a true professional. His work far exceeds the expectations of my wife and myself. We could not be happier. He arrives promptly. He explains what he is doing and what he will accomplish next. He completes the various tasks in a timely manner. He is very organized and does not leave a mess at the end of the day. He occasionally makes recommendations and frequently asks for input. I have found Mr. Lembcke to be completely trustworthy. He works daily in our home when we are not present. He is friendly, courteous, easy to talk to, and exhibits great people skills. I highly recommend Jimmy Lembcke for all your interior restoration and wallpaper needs. | 07/25/2017 | 5.0 Quality: 5.0 Customer Service: 5.0 Value for Money: 5.0 | Review by Chas C. in Las Vegas, NV Project: Install Wallpaper Comments: The hard work, quality, and craftsmanship that Seamingly Straight delivered was beyond expectation. The work of Jimmy and Lisa is matched by their genuine, honest, and caring personalities. They are extremely professional and knowledgeable, they care about what they do, and talking with them makes you feel like you're in the company of family (in a good and professional way). We reached out to Jimmy and Lisa for the install of a mural as part of an office remodel at Hoover Dam. The mural is 7'x20' depicting a high resolution map spanning three states. Their expertise and experience was exuberant as we watched them install the mural section by section. At the seams, all highly detailed features of the highways, mountains, and rivers matched up seamlessly and perfectly. Additionally, they educated us on how their method allows the mural to handle expansion due to the changes in the seasons. They are truly knowledgeable and care that you enjoy the results. I highly recommend Seamingly Straight for all of the services they provide and I look forward to working with them in the future. Add Your Comments to This Review |
